If you are releasing only the publically available parts I'm ok with that - but we don't want to release anything else - is that your plan?

Matt and Kelcey - See the FOIA below. I would like to release a redacted draft PRP search for this Site to Sunnyside, any problems with doing that? We also have a PRP search that BLM contracted for and previously they said we could not release any of the report. We may have to transfer the responsibility of responding to withholding that document to BLM.
